OUR COMPANY

Chocolates

Together with the 3rd generation in our company, we are continuously developing new products on the most modern production lines and we meet the increasing demands of our customers, without losing the artisanal touch on our chocolates. In our ultra modern factory, built in 2010, our highly qualified workers are developing finest Belgian chocolates with premium natural ingredients.

Next to a wide range of all year round chocolates, Limar is also famous for its seasonal products, such as Easter eggs and figurines, Halloween chocolates, Christmas figurines, all of them uniquely decorated.

All of our products are available in bulk or prepacked under the Limar brand or under a private label. As a private label manufacturer we are very flexible and will develop products together with our customers.
