## *Hot chocolate season*

During the coldest and darkest time of the year chocolate can bring warmth and joy. Imagine the prettiest decorated Christmas figurines luxuriously filled with smooth hazelnut cream or rich and gooey caramel.

Or what about a hot chocolate? Winter evenings were made for our velvety hot cocoa bombs. Are you getting excited for the Holidays?

Let Limar make all your chocolate dreams come through.

All you need is love and chocolate

## *Belgian chocolates since 1983*

40 years of dedication topped with 3 generations full of passion for chocolate.

Our family business has been creating the Limar chocolates since 1983. Due to our rich history, our attention to detail and our desire for innovation we have been able to export chocolate all over the world. As a private label manufacturer we develop chocolate adjusted to your needs and desires.

What can you expect? A phenomenal taste, refined quality and natural ingredients. Our team creates surprising Belgian chocolates, the result of a unique combination of modern machinery and craft work. At our new plant we will carry on pursuing this vision so you can continue to enjoy our chocolates each moment, every day.
